Welcome to Vindhems camping!

Here you will find information about how to book and pay, what is available at Vindhem and some other things.

Book your place and pay here:

https://vindhem.bokamera.se/

Welcome to Vindhem!

This campsite is run on a non-profit basis by Sundsvalls Segelsällskaps byggnadsförening and we hope you will enjoy your stay with us. We are grateful for your help in keeping both the campsite and the entire fantastic area that Vindhem constitutes clean and tidy.

Booking and payment are made digitally via

https://vindhem.bokamera.se/

Garbage bins are available at the parking lot, see map sketch and also the waste plan further on in this binder.

Servicehouse with shower and toilet is available at the parking lot, see map sketch in this binder. The key to the service house should be in this box - return it after use!

Summercafé run by young people is located in the secretariat, open Monday to Friday from midsummer week and nine weeks onwards. Please support our activities and make the summer job more fun for young people.

A restaurant with very good food and a pleasant environment is located in the area, we recommend a visit there.

Swimming opportunities are available at the sandy beach below the secretariat but also at Nothällan where there are nice cliffs. Nothällan is located in the far southeast of the area.

Sauna is available to all paying guests.

Fire information, fire extinguishers are available at the information folder in the middle of the campsite. See more information further on in the folder.

Camping manager: Anders Östlund, +46 73-440 53 65. Please leave a message or send a text message if Anders is unable to answer.

Overview of camping and motorhome pitches

Rules of conduct in Vindhem

- Show consideration for others staying at Vindhem.
- Place household waste in the garbage cans at the parking lot, not in the trash cans.
- Chemicals and other hazardous waste may not be left in the harbor.
- Do not pump out toilet or oily bilge water in the harbor.
- Additional charges at the dock for toilet emptying are only permitted during emptying.
- Dogs and other pets must be kept on a leash.
- Take pet feces with you and put it in garbage cans when parking.
- Car traffic in the harbor area is permitted during loading and unloading.

Waste management plan

A suction emptying facility for toilet waste for boats is located at the “Aramisbryggan”.

A flushing sink for “Porta Porti” or similar devices is located at the caravan campsite’s sink building.

Emptying of grey water from motorhomes/caravans takes place in a special place in the parking lot closest to the service building.

Resident and visiting boats as well as caravan campsite tenants have access to the service building’s WC.

Garbage bins for ordinary “household waste” are located at the parking lot. Two for the harbor and one for the campsite. These are emptied by REKO once a week during the summer season. Other waste is not taken care of by Sundsvalls Segelsällskap. Those who are residents of the harbor or at the campsite are responsible for ensuring that this is left at Sundsvall Municipality’s reception or recycling stations.

Our buildings that have water and sewage are connected to the municipal sewage network.
